A scale model is most generally a physical representation of an object, which maintains accurate relationships between all important aspects of the model, although absolute values of the original properties need not be preserved. This enables it to demonstrate some behavior or property of the original object without examining the original object itself.

Tamiya Caterhams, a step by step guide for novices 1/12 scale. By Mario Covalski . The first Catherham from Tamiya coming to my hands at the end of 1994, was the "Cycle Fender Special" (10202), since the "Super Seven BDR" was out of stock, and it was impossible for me to get it from the stores I used to buy kits.
